The committees will hold a meeting on the 20th of this month to consider the advisability of having the In the olden times the 22nd of February was never allowed to pass un-It was Alexandria's gala day and a general holiday. Times have changed, however, and the celebration of General Lee's birthday, January 19, and the Confederate Veterans' parade on May 22 have in a measure tended to obscure the 22nd of February, sandwiched, as it is, between the two.

A Lone Lodger.

But one stranger appeared at the station house last night for shelter. As heretofore stated, tramps this winter are giving Alexandria a wide berth, as most of them are aware of the fact that of them are aware of the fact that no fire is kept in the quarters of the station house assigned them. They therefore conclude that box cars or depot sheds are equally as comfortable and use such places when night overtakes them.

W. H. Clark, of Beenet street, accountant at the Bloch Bros. Tobacco Works, Wheeling, W. Va., says: "If my back aches I know what will cure it; Doan's Kidney Pills. They are the best remedy I ever came across. For months I was plagued with backache, not sharp pains, but a dull aching all the time, that made me feel miserable.
